 - **Tools:** Git, VS Code, Postman, Lighthouse
 - **Version Control:** Git, GitHub
 - **Other:** Responsive Design, SEO Optimization, Performance Optimization, Lazy Loading, Dynamic Routing, API Integration, Headless CMS (Sanity.io)
-

Education

Governor Sindh IT Initiative

- Web Development (2024-Present)
Courses: HTML, CSS, JavaScript, React, Next.js, Tailwind CSS, Sanity.io

Cantab Grammar School

- Matriculation (BSEK) | 90% (Graduated: 2022)

Govt. Delhi College

- Intermediate (FSc Pre-Engineering) | (Graduated: 2025) | (ongoing)
-

Professional Experience

Freelance Web Developer (Jan 2024 - Present)

- Developed multiple websites using React, Next.js, and Tailwind CSS.
 - Implemented dynamic product pages and shopping cart functionalities for e-commerce websites.
 - Integrated APIs and headless CMS (Sanity.io) into web applications.
 - Ensured websites were optimized for performance using tools like Lighthouse and TinyImage.
 - Worked with clients to gather project requirements, offering tailored solutions based on business goals.
-

Projects

E-commerce Website with Sanity and Next.js

- Developed a fully functional e-commerce website with product listing, cart functionality, and checkout process.
- Integrated Sanity.io for managing product data and other dynamic content.
- Optimized performance and SEO using tools like Lighthouse and Next.js Image tag.

Multi-Page Website

- Built a responsive multi-page website using React and Tailwind CSS for a seamless user experience across all devices.
- Used Next.js for fast server-side rendering and routing.

Resume Builder

- Created an application allowing users to build and download resumes using a form interface.
- Integrated data storage and PDF generation features.

Furniture Marketplace Website (Hackathon Project)

- Developed a furniture marketplace website for the Marketplace Builder Hackathon.
 - Integrated API routes and dynamic routing for product pages, search functionality, and checkout.
 - Conducted testing for security, performance, and SEO.
-

Certifications

- **Governor Sindh IT Initiative** - Web Development (In Progress)
-

Achievements

- Completed all Hackathons conducted by Governor IT Initiative.
 - Build side projects time by time.
 - Completed all quarter tasks or milestones time by time.
-

Languages

- **English:** Fluent
 - **Urdu:** Native
